

# STYLE

S-122

**STYLE** is a fully featured adjustable base that includes Wallhugger® technology, which lifts the user up while simultaneously gliding them back, as well as a wireless remote with preset memory positions, and more. **STYLE** also gives the user ideal comfort positions via head and foot articulation, and dual massage with wave. It is a zero clearance foundation that pairs well with solid-surface platform beds.

- Head and foot articulation
- Zero clearance foundation compatible with most platform beds
- Foundation style
- Reprogrammable anti-snore, zero gravity, and one customizable position
- Remote flashlight and under-bed light
- One-touch flat button
- Wallhugger® technology keeps your nightstand within reach
- Dual massage with wave technology
- Dual USB ports (Type A and C)
- Height-adjustable legs
- 850-lb. weight capacity
- Safety lock
- Emergency power-down
- Sync cable included for split sizes
